ZIDA
ZIMBABWE
INVESTMENT &
DEVELOPMENT
AGENCY

About Zimbabwe Investment and Development Authority

(ZIDA), is mandated to promote and facilitate local and foreign investment in the country. It came up as an integration of three investment authorities, which were previously housed in different Government Ministries and Departments.

ZIDA operates the One Stop Investment Services Centre (OSISC), which provides investment services ranging from investment analysis, company registration, tax registration and clearance, licensing, connecting to all necessary utilities, investment promotions, public relations and aftercare services. ZIDA is responsible for setting up and developing Special Economic Zones (SEZs) in designated geographical areas.

Through the Public Private Partnership (PPPs) department, the Agency analyses solicited and unsolicited projects to ensure conformity with approved feasibility studies and to make

recommendations on project proposals submitted by contracting authorities to the Cabinet as to whether to approve or reject project them.

The General Investment function within ZIDA is responsible for the promotion, licensing monitoring and facilitation of private sector led investment. Such investment would not qualify under the Special Economic Zones scheme and PPPs.
